ROLLA STORAGE

Helps keep your studio organised

A robust design and a height that is designed to match in with the height of our sewing cabinets when opened, thus giving you valuable extra workspace.

Compact and manoeuvrable, the Rolla has a 270 degree swing on the door hinge which allows it to sit flush with the cabinet body when open. The 4 new, translucent, deep-fill drawers can hold all of your sewing accessories including tools and fabrics...and maybe even a machine!

Delivered fully assembled

Beautiful design inside and out and comes in four different wood finishes.

Need more storage? The Rolla is perfect!

NEW translucent trays are fitted on secure sliders, and can be removed if needed

A great companion to your existing Horn sewing cabinet
