

The GEMINI

- a super compact Sewing / Quilting station

The Gemini offers great for money!

Only needs 2½ ft by 1½ ft floor space when closed

The GEMINI - Fitted with the excellent recessed door design and handy easy up compact back flap

- ▶ Centre of the needle sitting position, allows you to be directly in front of the needle when sewing.
- ▶ Extra stable, open base construction; 7 lockable easy rolling castors, are attached to a specially designed reinforced frame.
- ▶ 3 step push down release air-lift mechanism means a quick push down moves your machine from storage to flatbed to free-arm positions and will fit virtually all domestic sewing machines on the market new or old!
- ▶ Door storage bins are recessed under the lid by means of a specially constructed angled door system this allows your fabric to drape down without catching or disturbing the door bin contents.
- ▶ Fantastic newly designed spacious, see through thread boxes that are designed to be removable. This not only makes finding thread etc.. Easy... but you can take them with you as well! Also a handy magazine compartment with dividing shelf which adds even more storage.
- ▶ The work surface is fitted with flush mounted non snag hinges.
- ▶ A compact, convenient lift up work area at the back of the machine. It lifts up easily when needed and down when not (so it doesn't have to be open all the time). It has a very sturdy gate leg design with Quilters/ Patchworkers in mind but is ideal for all sewing projects.
- ▶ Comes fully assembled, the cabinet is beautifully finished front to back, inside and out.

Centre of needle sewing position & back supported work area. Ideal for Quilters who are tight for space. Fitted with our longer air-lifter. (Take a look at the back page to see how the air-lift works)

CLOSED - WIDE 77cm (30¼") DEEP 46cm (18¼") inc. drop leaf back HIGH 76cm (29¾")

The GEMINI - Super compact closed
