COMPACT HI-LO

Perfect for crafters with a limited amount of space.

Sporting a clean white, hard-wearing open grained finish, this clever table is able to be folded away for easy storage or be used half open to save space. But that's not all, the adjustable legs allow it to be set at your ideal standing position.

Variable height adjustment in increments of inches

Min 32"

Max 38"

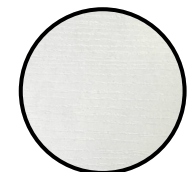

- 1 Includes two integrated shelves, allowing you to organise your supplies and keep them close while working.
- 2 Can be raised or lowered to your perfect height: Min. 32" & Max. 38".
- 3 Durable gate-leg design.
- 4 Rounded corners stop snagging or potential injuries.
- 5 Six robust locking castors allow for easy movement.
- 6 Easy to assemble in even the most awkward spaces.

The Tall Hobby chair is the perfect companion for this table. See pg.30 for more information
