

## CUT EASY MK-2

Introducing your all-in-one cutting and pressing workstation.

A versatile crafting table that simplifies cutting and pressing tasks, improving your workspace and crafting journey.

Featuring a generous 5x3ft cutting surface, an integrated folding pressing board, and 7 robust lockable wheels for easy movement, the Cut Easy MK-2 can be conveniently folded into a compact unit slightly over 1ft deep for easy storage when not in use, convenient enough to fit in any room..

- 1 Durable metal frame throughout the unit.
- 2 The built-in pressing board measures 27"x 12".
- 3 Expand the cutting surface for larger projects with 2 fold-out leaves.
- 4 Sturdy design with locking castors ensures stability and easy movement.
- 5 Provides a great standing height for cutting and pressing tasks.
- 6 Rounded corners to prevent fabric snags and injuries.

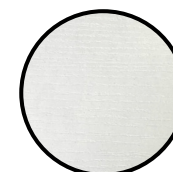

37"  
standing  
height!

The Tall Hobby  
chair is the  
perfect companion  
for this table. See  
pg.30 for more
