See pg.30 for  
more information

With our Maxi Air-Lifter opening and 3-step mechanism, the Super Q Mark 2 is compatible with virtually all domestic sewing machines.

1

Enjoy a spacious and adjustable work surface that caters to your specific needs so you can create your dream sewing area with ease.

2

Keep your supplies organised and within reach with integrated mobile drawers featuring inlaid handles & a lockable top drawer.

3

Features a lockable bi-folding door which closes to hide your sewing machine and keep your studio looking tidy.

4

Equipped with lockable castors, the Super Q Mark 2 is sturdy yet easily movable to any part of your room.

5

Extendable, well supported working areas either side of you and also behind the machine.

6

An acrylic flatbed inset is supplied with this model, cut to fit your specific sewing machine.

Please note: due to its size, it may not be possible to take this unit up an internal staircase. See pg. 39 for more details.
