

Please note: Due to the fixed left leaf, the sitting position can feel restricted for some when using long-armed machines, e.g. Bernina 7 Series etc...

For this and similar machines, please see Super Q / SQ MK-2.

QUILTER'S DELIGHT MK-2

The original quilting table for
you and your machine

The smaller sister of the Super Q, the Quilter's Delight is still fitted with the Maxi opening (1942) so is able to accommodate some of the largest domestic sewing machines, but in an overall smaller space.

The Quilter's Delight features 3 collapsible leaves which can be opened in various configurations and give support all around the user for even the largest projects. The unit sits on heavy-duty castors for easy mobility and increased stability, is a great unit for those with a smaller area to fill, and is easier on the pocket.

1

Stay organised and keep your quilting supplies within reach with the Quilter's Delight's mobile drawers, which ensure all your materials are neatly stored and easily accessible.

2

Ample quilting area which allows you to spread out and work on your projects with ease.

3

Equipped with lockable castors the Quilter's Delight is easy to move around your studio, providing flexibility when you need it.

4

The extendable working areas on the side and rear of the cabinet feature a robust design, supported by double gate legs for the rear leaf and a fold-out support beneath the right-hand leaf.

5

Fitted with our Maxi-lifter opening (type 1942) which is capable of taking virtually all domestic sewing machines on the market old or new!

6

An acrylic flatbed inset is supplied with this model, cut to fit your specific sewing machine.

Please note: due to its size, it may not be possible to take this unit up an internal staircase. See pg. 39 for more details.

Delivered fully assembled
