

MAXI HOBBY TABLE

Craft like never before with this one-of-a-kind table!

Horn's deluxe table is the perfect upgrade for your crafting sanctuary. With a chic design it brings storage, ease, and practicality to the next level. Boasting a spacious work area and eight robust wheels that lock for stability and easy movement.

When it's time to tidy up simply fold down the side leaves for neat and easy storage. With cupboards on each side, stash your machines on one end and accessories in the four roomy transparent trays on the other. It's a crafter's dream!

One side features trays for materials and notions, while the other side includes an adjustable shelf to support your machines.

The Hobby Table's 87cm (34 1/4") height is the perfect height to stand at while working. No bending, kneeling or stooping for you!

The Tall Hobby chair is the perfect companion for this table. See pg.30 for more information
